HE REACHED THE CITY YESTERDAY AFTERNOON FROM CINCINNATI.

The Prospects for Bage-Ball in Richmond are Very Bright-Arrangements for the Opening of the Season.

Manager Jake Wells arrived in this city yesterday afternoon at 2:29 o'clock over the Chesapease and Ohio road, from Cincinnati, where he has been looking after some of the players whom he has under contract for the coming season, He is stopping at the Lexington Hotel, where I called upon him last night.

Manager Wells is in the pink of condition after his long sojourn in the South.

The prospects for a season of good ball are very bright, said Manager Wells, I have a good team, composed entirely of hustling youngsters, and the public may expect to see a gilt edged exhibi-tion of the national pastime.

Richmond has not won the pennant yet as some other teams appear to have done, but you can rely on it that when the season closes we will be with the leaders, and no matter which team wins the coveted flag they will have to hustle to take it away from Richmond. THE TEAM'S MAKE UP.

Speaking of the make-up of the team at present under contract Manager Wells said Al. Gibson and Reddy Foster Wells said Al. Glisson and Reddy Foster will alternate behind the sat, and I may help them out myself. In the box we will have J. G. Korr, Jesse Tannehill, W. H. Dinsmore and J. G. Affen.

They are all said to be good ones, and from Knorr and Tannehill especially, I am very hopeful of great results. I am still after another pitcher, and if I succeed in getting him Richmond will see something worth looking at in the nitch.

in the infield I will look after the initial bag, Hall will play second, and McGowan will cover third. The last named player I secured to fill the vacancy caused by Pender's release. He is a hustler, and I think will materially strengthen the team. He is quicker and handles himself, better the percentage. himself better than Pender. CHAMBER OF COMMERCE,

An Interesting Meeting of That Body Held Yesterday. The regular monthly meeting of the

MORE ENTERPRISES, Mr. S. Dabney Crenshaw, chairman of the Committee on Business Enterprises, submited a verbal report and read por-tions of correspondence relating to the reported movement of New England cot-ton manufacturers to the South, This question occasioned a most earnest dis-cussion on the general subject of the establishment of more manufactures at Richmond, which was participated in by Messrs. Crenshaw, Ware B. Gay, S. W. Travers, E. A. Catlin, Jackson Guy, L. Z. Morris, J. C. Freeman, and others. The concensus of opinion was that with our climate, water power, cheap coal, prox-imity to various raw materials, transportation facilities, both by rail and water, all the conditions were exceptionally favorable, and that what we principally needed was appreciation of and confidence in our resources, and a determination to develop them either through our own efforts or by making them well known

The idea was emphasized that the growth and prosperity of Richmond must be largely sustained by enterprises of this character. The liveliest interest was manifested, and a special committee, con-sisting of Messrs. S. D. Crenshaw, S. W. Travers, Ware B. Gay, John C. Freeman, and E. A. Catlin, was appointed to consider and report to the Chamber what steps, in their opinion, the Chamber steps, in their opinion, the Chamber could take to stimulate and promote development along these lines

Union Sociable.

The union sociable given at Seventh-Street Christian church last fight under the auspices of the Disciples' Union was one of the most enjoyable events of the kind ever held in the city. Preparatory to the banquet short devolional exercises were held, led by Rev. Jahez Hall, assisted by Fastors A. R. Moore, L. M. Omer and J. A. Spencer, of the Manchester church. An abundance of coffee, chocolate and tea, oysters, tongue, &c., was served by the young lady waitresses and enjoyed by probably 700 or 800 persons, members and friends of the various Disciple churches of the city. The aim of the "social" seemed to have been gained, if judged from the expressions of pleasure and satisfaction heard on every hand. Union Sociable.
